It is our goal to keep South Lane Farm a private facility so the few riders boarding at the farm can have a pleasant atmosphere and enjoyable riding times. We will work in a professional manner to help further the riding ability of the riders and the development of their horses. Due to the number of existing young horse coming along at SLF it will not be possible to allow random lessons or outside trainers.

Only 10 horses will be allowed in training at a time.

A new addition to the riding arena has been built for the additional horses.

Cheers from,
Joe, Louise, Alyssa, Marcel,
The South Lane Farm Team
